

Monthly Poems

By Miss DeCarlo

PLEASE NOTE...

The poems in this pack come directly from my monthly [Just Print Fluency Packs](#) in my store. These are the EXACT SAME poems. I've bundled them for teachers who wish only to use the poems in their classroom instead of all the additional monthly pages. If you already have the [Just Print Fluency Packs](#), you already have these poems!

*Disclaimer: I will not be "reducing" the price if you want this poetry pack but already have one or more of my Just Print Fluency packs. This pack is priced AS IS and will not be customized due to prior purchases. Thank you for understanding!

Dear Teachers,

Let's put singing, FUN, and a love of poetry back into fluency instruction!

Poems and songs are SO important to helping our students develop fluency. Exposure to rhythm and beat help to develop expression and pacing when reading. In addition, repeated readings of songs and poems boost the confidence level of our emerging and beginning readers and provide multiple exposure to words and vocabulary.

This pack contains all of the songs/poems from my "Just Print Fluency Packs." These are the SAME poems, so if you already own those packs, there is no need to purchase THIS pack. There are 5 poems per month.

Please see the following page for ideas and suggestions of use!

Happy Learning.

Ideas, Suggestions, Activities

- ★ My students keep a Poetry Binder in their desks to read if they are early finishers. This way, they ALWAYS have access to familiar text!
- ★ Have Friday Poetry Parties! These take NO PREP! I let the kids sit on top of their desks with feet flat on their chairs. Together, we sing songs!
- ★ Sing the poems and songs to a class in another grade level to promote rereading and have fun!
- ★ Have kids put page numbers at the bottom right hand corner of the poems to keep the pages in order. This makes it easy to say, "Flip to page ____!" It also encourages them to take ownership of their binders. (I will not be adding page numbers because teachers may wish to present the poems in different ways and orders. ☺)
- ★ Use the poems for partner reading. Practicing old poems makes for a great activity when students have a substitute!
